Claim # 5623

Date: 11/2/24

Hello Honorable Judge,

I received a "Notice of Objection to Your Proof of Claim." I am attaching a screenshot of my Celsius Network account dated 12/28/22. Also attaching the transactions report from my Celsius Network account from 3/12/23. This was my hard earned money that I had placed into Celsius Network, trusting the company. I just want to recover the \$8,852, breakdown is below:

	Total Coin Amount	USD Value
Total BTC	0.07440653707	3067.649573
Total ETC	1.266559079	3045.70789
Total USDC	2637.053976	2637.053976
Total CEL	13.75053049	103.5916312

Hoping for a favorable resolution, thank you very much.
